Per the terms of the Fortinet Life Cycle Policy, Fortinet will continue to provide hardware support services for a minimum of twelve (12) months from the End of Order (EOO) milestone. The EOO milestone for a given product represents the last date that Fortinet will accept new orders for fulfillment, providing there is inventory available to fulfill the order. RMA/Replacements after the EOO milestone may include "like-for-like replacements" or an "enhanced replacement". In the case of enhanced replacement, changes to the customer's network or upgrade to a currently supported software release may be required.

Product Life Cycle Milestones	
End of Orders (EOO)	April 14, 2014
Last date to purchase new maintenance contract	April 14, 2014
Last date to extend an existing maintenance contract	April 14, 2018
Product support expires	April 14, 2019
